SUBJECT: AGENDA ITEM #9 – Information Item – Receipt of Proposals, City of Hesperia Reorganizations Nos. 2003-01 (Cataba) and 2003-02 (Freeway Corridor)

State law requires that any proposal involving annexation to a special district, not filed by the district, shall be placed on the next available Commission agenda as an informational item (Government Code Section 56857(a)). The City of Hesperia has submitted applications for annexation of areas identified as follows:

LAFCO 2952 – City of Hesperia Reorganization No. 2003-01 Including Annexations to the City of Hesperia, Hesperia Fire Protection District, Hesperia Water District, and Hesperia Recreation and Park District and Detachment from County Service Area 70 Improvement Zone J (Cataba)

LAFCO 2953 – City of Hesperia Reorganization No. 2003-02 Including Annexations to the City of Hesperia, Hesperia Fire Protection District, Hesperia Water District, and Hesperia Recreation and Park District and Detachment from County Service Area 70 Improvement Zone J (Freeway Corridor)

The purpose of these reorganizations is to receive municipal levels of service to the areas to allow for their development according to the Oak Hills Specific Plan land use designations and standards. The Oak Hills Specific Plan has been adopted by both the County and City of Hesperia. Maps of each of the areas are included as attachments to this report.

Government Code Section 56857(a) also sets in motion a 60-day time period in which the Hesperia Recreation and Park District may submit a resolution of

opposition to the proposal. This 60-day period began on January 16, 2004 through notification to the Hesperia Recreation and Park District that the applications had been received. The District has provided a Plan for Service addressing each of the applications, and has officially indicated its support of these proposals (copy of letter attached).

As an information item, no action is required by the Commission other than to note the receipt of the applications.
